

Ceridian™ Series

Super-LED® Lightbars

Whelen's innovative Ceridian Series features an all-new low profile design and a multitude of unique features and options for optimal versatility.

*CP8BRBR
(shown with optional inboard modules
and take-downs)*

*CP8BRBR
(shown with optional Traffic-Advisor™)*

FEATURES

- Available in SOLO™ (single color), DUO™ (two color), and TRIO™ (three color) models
- Available in WeCan® or standard current models
- Multiple LED technologies are available for high performance versatility
- Lighthouse modules mount in any position
- Hard-coated lenses minimize environmental damage from sand, salt, sun, and road chemicals
- Advanced Thermal Design improves LED performance during extended operation
- Sleek newly designed mounting foot compliments lightbar design
- Clear outer domes with optional color tops. Smoked domes are also available
- Optional Traffic Advisor and Red, Blue, or Amber internal filters
- Optional single LED precision focused take-down and alley lights
- Optional lighted sign (contact factory)
- Optional built-in speaker (contact factory)
- CP Series models feature BroadBand Blue™ technology. BroadBand Blue delivers a higher intensity, creates a larger optical image, and produces a more consistent color
- Five year warranty

CERTIFICATIONS

- Designed to meet SAE Class 1 and California Title XIII when properly configured
- Designed to meet IP65 standards
- Meets SAE J1113/CISPR 25 and R10 standards
