Phone: (860) 526-9504

Installation Guide: WeCanX™ V2V Sync Module

Internet: www.whelen.com
Sales e-mail: autosale@whelen.com
Customer Service e-mail: custserv@whelen.com

⚠ WARNING: This product can expose you to chemicals including Lead which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Mounting the V2V Module

IMPORTANT: Module must be mounted inside the vehicle in a location not exposed to excessive heat or weather.

Mounting to Vehicle:

It is recommended you mount the module to the dashboard or rear deck of the vehicle however it can be mounted to any surface or window. If mounted to a window it is recommended to use VELCRO® hook & loop tape. The module must be mounted face up (side with logo). This is the side that receives the signal. If mounted to a window, the face must point out of the vehicle.
